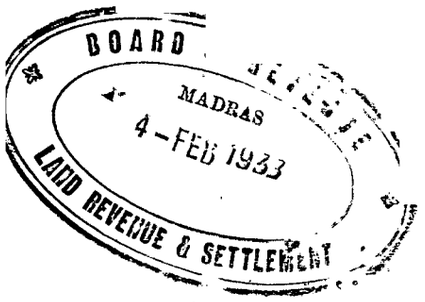
Dated 14-3-33



The Secretary to the Board
Land Revenue & Settlement,

Settlement - Resettlement (South Kanara) - Conduct of operations - Special staff - Employment of a Special Inspecting Deputy Tahsildar - Orders requested.

Reference:- B.P.Mis.No.304, dated 27.1.1933.

When sanctioning the employment of a Special Inspecting Deputy Tahsildar for the Settlement duty, the Government have not said what shall be the qualifications of such an officer. As the officer so appointed has to supervise the work of the Deputy Surveyors it is necessary that he should be equipped with necessary qualifications for checking the work of his subordinates. With the exception of Messrs.

to sanction the deputation of M.R.Ry. K. Keshava Kudva, Taluk Head Accountant, Kasargod to undergo a course of one month's training in angular survey with the Inspecting Tahsildar, South Kanara forthwith, so that he can start work with the Settlement Department by the 10th March next.

2. Mr. K. Kudva has now reverted from the post of an acting Deputy Tahsildar which place he occupied for about 2 years, but he is likely t go back as Deputy Tahsildar soon. It is true that there are two men above him, viz. M.R.Rv. T. D. Veliath who is likely to be reverted to the Secretariat on or about the 9th instant and K. Abdul Gafo Saheb who has actually reverted. But both of them will b acting as Deputy Tahsildars in the regular line in about 2 months ime.

The Board since understands from the Collr. that the appointment of a suitable person from among the Tahsildars of the district to the post of the Special Inspg. Tahsildar sanctioned in the G.O. quoted above will result in administrative inconvenience as the kist season is fast approaching ~~He accordingly urges~~ that an officer of the grade of Dy.Tahsr. may be posted to supervise the special survey staff. The Board ~~is inclined to~~ accepts the Collector's proposal ~~reasons~~ and begs to propose that though the post sanctioned in G.O.Mis.265 Rev., dated 11-2-33 is a Sp. Inspg.Tahsr.on Rs. 200-10-300, Government may be pleased to permit the filling up of the post by an Inspg.Dy.Tahsr. on Rs.150-5-200.

training in angular survey is necessary for the officer appointed to the post and accordingly recommends that Mr.Kudva may be given the training under the Inspecting Tahsr.of the Dt., and that he may be considered to have entered on his special ~~duties~~ duty from the date of commencement of his training under the Inspg.Tahsr.

3. Mr.Kudva has (recently) been reverted from the post of ag. Dy.Tahsr. ~~and has put in a total service of less than a year in that post~~. There are two ~~men~~ officers above him, viz.,M.R.Ry. T.D.Valiath and Mr. A.Abdul Gafoor Sahib who have been or are likely to be reverted very shortly. The former has put in a continuous service of one year and 8½ months up to 31-1-33 and is reported to be likely to be reappointed in about 2 months. He will not therefore be adversely affected by the appointment of Mr.Kudva as Special Dy.Tahsr. As regards Mr. Abdul Gafoor Saheb, it cannot be said with certainty ~~available in the Board's Office~~ from, that he will not be affected by the appointment of Mr.Kudva.However in view of the Collector's assurance that

Of the two Officers referred to in para 3 of the Board's reference, Mr. T.D. Valiath still continues to act as Stationary Sub Magistrate in succession to my English Head clerk now on 6 weeks' Leave on Average pay from 8th February 1933. Meanwhile Mr. V. Venkat Rao, one of my Tahsildars has applied for 4 weeks' Leave on Average Pay from 5th March 1933 and Mr. K. Abdul Gafoor will be appointed in that succession as English Head clerk. Another Tahsildar will go on leave preparatory to retirement from 1.4.33. There is therefore no likelihood of Mr. Veliath being reverted. Mr. K. Abdul Gafoor may have to revert for a few days in April, but he will also be soon provided for without danger of reversion.

My dear Mac Ewen,

M1-2 c/s. Please see Gawne's letter 10997-A2-32, dated 2nd February 1933. I do not like the idea of putting a man in charge of the Special Staff in South Kanara who has had no actual experience of subdivision work. From Gawne's letter I gather that if Government orders that a Deputy Tahsildar and not a Tahsildar are to be strictly adhered to, we have no other course than to train and appoint his candidate, Mr. Kesava Kudva. Apart from the doubt that this officer will not be sufficiently experienced to control trained Deputy Surveyors the arrangements for his training will certainly lead to further delay. If however, you could induce Government to change its mind and allow us to employ a Tahsildar, one or other of the men mentioned by Gawne can be appointed straightaway. I am very anxious to avoid further delay in correspondence over this matter and to get the work started.

Yours sincerely,

TO A.S. (Sett)

Please see the Collr's letter at pp 1-2 c/s and

Mr. Rau's D.O. overleaf.

Govt. may not agree to revise their order as proposed by Mr ~~Mudaliar~~. In the linked file it has been ordered that the Opl. Staff work should begin at the earliest possible date. If training is to be given to Mr. Kudva as proposed by the Collr. the Opl. staff work cannot be begun for a month more unless Mr. Rau controls it until the Dy Collr. is ready. An alternative is to appoint a qualified man from some other district. In fact Commr. has noted that if Mr. Gaunce cannot find a suitable man he may ask the Board. Q. will please state whether there is any suitable man who can be appointed for the post. It seems that Mr. P. O. Koshi Muthalali (6233) KG (6233) is an unexpert distn. Who has undergone the special training in maintenance and his regular survey will be suitable for the post. His age is about 35 his permanent pay as taluk hd is Rs 100/-. If the horizontal

Re-settlement--South Kanara District.

Posting of a Special Inspecting Dy. Tahsildar.

Will you please refer to my official letter two days back, asking for permission to train Mr. Kuduva in Angular Survey immediately, under the Inspecting Tahsildar, South Kanara I find that a Taluk Head Accountant is on joining time and has until Saturday the 11th. If I can get orders by the 11th, he can go to Kasaragod and relieve Mr. Kuduva. If I do not get orders by the 11th, he is to go to Coondapur and relieve another

Officer there. As there will be a very considerable saving in T.A., if I can avoid sending the relief to Coondapur for a few days, I request that you will let me have orders by telegraph if possible allowing me to relieve Mr. Kuduva for his training.

There can be no doubt about his suitability for the post.

The 2nd clause in the last sentence of one by permits a deviation from the prescribed order of reversion for short periods in order to avoid administrative inconvenience. It is for consideration whether this principle cannot be applied to the re-appointment of acting by Jahrs who have reverted for want of vacancies; in other words, whether a junior cannot be reappointed in preference to a senior in a case of emergency
